He is a thought leader helming a wide variety of roles including product development, research, techno-business consulting, start-up and general management.

LEARNING JOURNEY

LINACO Group Business with A Purpose: From Heritage to Global Impact

The Coconut Industry is as old as it can get. Producing coconut-related products and expanding into 50 countries is no mean feat. LINACO sets the gold standard for Malaysian-old production and manufacturing industry. More impressive is their compassion for the poor and disadvantaged. That's business with a Purpose.

Sustainability is the core value and main motive in everything they do. Through driving transformative change towards a sustainable future, LINACO aims to create a positive and lasting impact for future generations.

LINACO's CSR endeavors and ESG initiatives are so delicately crafted on a strong structure that they are very determined to persistently make an impact on the targeted unprivileged segments, consistently, by having employees embracing the values and walk the miles to touch people's lives.

In this onsite learning journey, get inspired by their stories, discover their struggles and learn their roll-out strategies.

LEARNING JOURNEY

Dignity Foundation **Sustaining Lives with Dignity**

The story of Dignity Foundation started in 1998. Dignity for Children Foundation is a non-governmental organisation that provides holistic care and education for marginalized and urban poor children in Kuala Lumpur, Malaysia, with the aim to empower children to break free from the cycle of poverty through quality education and care.

The school at Sentul, now run by Dignity for Children Foundation, offers holistic Montessori-based preschool, elementary school and secondary school programmes, and provides daily care to around 2,300 underprivileged children.

Over the 25 years, Dignity has journeyed with over **15,000 children and youths** in the communities.

The empowerment and care is reflected through the establishment of 4 cornerstones:

1) Education

- From Toddler to Primary, the Montessori method of education is used, and Cambridge IGCSE 'O' level and employability skills for the Secondary students.

2) Enterprises

- Social businesses that serve as holistic training platforms for underprivileged youth, while providing services to the community.

3) Farm Academy

- A model of transformative youth education grounded in community building, natural agriculture and skills development. Located in Bentong, Pahang.

4) Support Programmes

- Social Emotional Learning, Faisal Cup, Teachers' Training Programme, Welfare, etc.

TARGET AUDIENCE

Tailored for:

- 1) the visionary leaders of today, this exclusive opportunity is designed for C-Suite executives in the ASEAN insurance sector who are looking to shape the future of their organisations.
- 2) for the rising of the ASEAN insurance industry. Perfect for high-potential professionals poised to ascend to C-Suite roles of their organisations.
