Training Programme No: XXXXXXXXXXXX

OVERVIEW

The Fellowship of LAMP represents the highest tier in the LAMP framework. It equips senior professionals with the strategic, analytical, and leadership capabilities required to drive innovation, manage risk, and lead product and investment strategies in life insurance and family takaful institutions.

LEARNING OUTCOME

Graduates of Fellowship of LAMP will be able to:

1. Demonstrate a solid understanding of life insurance principles, governance structures, contractual obligations, and the full spectrum of life and health insurance products.
2. Apply technical and operational skills in product development, distribution, underwriting, policy service, and claims administration.
3. Communicate effectively and collaborate with diverse stakeholders in professional insurance settings.
4. Analyse legal, regulatory, and financial frameworks to support ethical and compliant decision-making.
5. Demonstrate professionalism, adaptability, and leadership in managing performance and strategic goals.
