MESSAGE FROM BANK NEGARA MALAYSIA REPRESENTATIVE

Honoring the class of 2024 for your academic excellence.

On behalf of Bank Negara Malaysia, I extend our heartfelt congratulations to the graduating class of 2024.

You have reached an important professional milestone, and with it comes not only pride, but responsibility. As future professionals in the insurance and takaful sector, you are entering a field that holds public trust, safeguards financial well-being, and supports the resilience of our economy. This is not just a career—it is a public duty.

As the regulatory authority, Bank Negara Malaysia places high expectations on your generation. We count on you to uphold the highest standards of governance, professionalism, and ethical conduct. In an increasingly interconnected and complex world, your work must balance innovation with prudence, efficiency with fairness, and business growth with societal outcomes.

We commend the Asian Institute of Insurance for its role in preparing you for this responsibility. It is now your turn to lead with integrity, help strengthen financial inclusion, and contribute to a sustainable insurance and takaful landscape.

Congratulations once again. Your journey of stewardship and service has only just begun.

Harizal Alias

On behalf of Bank Negara Malaysia

Director of Financial Development and Innovation Department

MESSAGE FROM THE CHAIRMAN OF Aii

A proud milestone for the class of 2024.

Congratulations on your success. As the apex training institute for Malaysia's insurance and takaful professionals, Aii was founded on a single purpose: to uplift the professional standards and future-readiness of our industry. Today, you become part of that mission.

The industry you are entering faces challenges and opportunities like never before—climate risk, ageing populations, AI-driven underwriting, and shifting customer needs. In this context, what distinguishes you is not just knowledge, but your ability to think ahead, act ethically, and lead with purpose.

We at Aii expect you to be catalysts for transformation. Whether you're developing inclusive products, closing protection gaps, or pioneering new approaches in ESG insurance, your actions will shape how insurance contributes to society.

As you move forward, stay curious. Be bold. And always return to the question: "Who are we protecting, and how do we serve better?"

We're proud to welcome you to the growing Aii alumni network. The future is yours to shape.

Antony Lee

Chairman of Asian Institute of Insurance (Aii)

CONGRATULATORY MESSAGE

Congratulations to the 2024 graduating class!

The general insurance sector is the first line of defense against today's most pressing risks—from floods and cyberattacks to property loss and liability. It is a sector that protects assets, enables business continuity, and plays a vital role in economic resilience.

As you join this field, PIAM encourages you to become risk thinkers and solutions architects. Understand your customers' realities, respond to the risk landscape with agility, and always uphold the trust placed in our profession.

The risk landscape is increasingly complicated and there is a need for practitioners to broaden their perspectives and work with a wide range of stakeholders to manage risks. Technology is also progressing rapidly, and this provides us the opportunity to leverage it, collaborate and develop an ecosystem to bring insurance and its services closer to our customers.

We look to you—the new generation—to bring a modern mindset and a resilient spirit into underwriting, distribution, claims management and customer centricity. The future of general insurance depends not just on systems, but on people like you.

Welcome to a profession that's both challenging and deeply rewarding.

Ng Kok Kheng

Chairman of the General Insurance Association of Malaysia
(PIAM - Persatuan Insurans Am Malaysia)

CONGRATULATORY MESSAGE

To the class of 2024 – heartiest congratulations!

Today marks more than just the completion of your studies—it marks the beginning of a journey filled with purpose, impact, and responsibility.

As you step into the insurance industry, know that you are entering a profession built on trust, compassion, and a deep commitment to people's well-being. The insurance profession is grounded in a meaningful purpose – standing by individuals and families during their most vulnerable moments, helping them prepare for the unexpected, recover with dignity, and build a more secure future.

At LIAM, we believe the future of our industry lies in your hands. A future where protection is accessible to all. A future shaped not just by digital innovation and analytics, but by professionals who lead with empathy, integrity, and a strong sense of social mission.

Your role goes beyond selling policies—you are now part of a national effort to close the protection gap, empower communities, and contribute meaningfully to Malaysia's financial resilience and nation-building goals.

We are proud to stand with Aii in nurturing a new generation of leaders who will carry this torch forward. Your journey has just begun—but your purpose has never been clearer.

Welcome to the insurance fraternity. We look forward to seeing the difference you will make.

Ben Ng

President of Life Insurance Association of Malaysia (LIAM)

CONGRATULATORY MESSAGE

Warm congratulations to the graduates of 2024.

As insurance and takaful brokers, your role is both unique and pivotal. You are not product pushers—you are advisors, advocates, and intermediaries of trust. You stand at the intersection of clients and providers, and your credibility defines the quality of that bridge.

In an era of complex products and growing customer expectations, MITBA expects brokers to lead with clarity, integrity, and client-first thinking. Advisory today goes beyond placement—it involves risk education, policy optimisation, and responsible communication.

We welcome you into a profession where long-term relationships matter more than transactions, and where trust is the currency that opens doors.

Serve well, advise wisely, and always act in the best interest of the people you represent.

Vicky Rajaratnam

Chairman of Malaysian Insurance and Takaful Brokers Association (MITBA)

CONGRATULATORY MESSAGE

To the graduating class of 2024—congratulations!

Loss adjusting is a profession that demands both technical precision and unshakable integrity. In every claim you assess, you are safeguarding the fairness and transparency that underpin public confidence in insurance.

At AMLA, we uphold the standards of impartiality, accountability, and continuous learning. As new professionals, we expect you to carry out your role without fear or favour, and to always seek the truth within complex situations.

You now join a community of professionals who serve as the industry's conscience during its most critical moments—post-disaster, post-loss, post-crisis. Carry that responsibility with pride and know that your role is essential in ensuring just outcomes.

We look forward to walking alongside you as you grow in wisdom, judgement, and integrity.

Foo Yong Ken

Chairman of Association of Malaysian Loss Adjusters (1981) (AMLA)

CONGRATULATORY MESSAGE

Saluting the success of the Class of 2024.

This day marks not just the end of your training, but the beginning of your calling.

At Aii, our commitment is to equip the industry with professionals who are technically excellent, values-driven, and future-ready. The landscape ahead will challenge you with complexity—but it will also offer immense opportunity to serve, to lead, and to create lasting impact.

You are now part of a profession that goes beyond business—it's about people, protection, and progress. Whether you choose to specialise in underwriting, broking, takaful, claims, analytics, or ESG strategy, your work touches lives in ways that matter.

Our hope for you is simple but profound: remain curious, grounded, and courageous. Build trust. Question assumptions. Design better products. Speak up for the underserved. And remember that technical knowledge is only powerful when guided by a strong moral compass.

You are now part of the Aii alumni family. Wear it with pride, lead with conviction, and be the change our industry needs.

Congratulations—and onward to your next chapter.

Paul Low

Chief Executive Officer of Asian Institute of Insurance (Aii)

Quah Ai Ting

Associateship of Asian Institute of Insurance (AAii) Level 2

The journey has been both challenging and rewarding. Throughout the course, I gained valuable insights into risk management, underwriting, claims handling and the importance of ethical practices in the industry.

Balancing work, family, and study wasn't easy — but commitment and support made it possible. Big thanks to RHB Insurance for the sponsorship and encouragement throughout this journey.

Last but not least, thank you to all dedicated lecturers, Aii's staff, my course mates, my family and my colleagues for being part of this meaningful journey!
