MESSAGE FROM THE CHAIRMAN OF Aii

Congratulations to Aii Graduates.

On behalf of the Board of Directors and the entire Aii family, it is my greatest honour and privilege to extend my heartfelt congratulations to each and every one of our 2025 and 2026 graduates.

Your achievement today is far more than the completion of an examination or the conferment of a qualification. It is a testament to your commitment, your perseverance, and your belief that professional excellence matters, not just to your career, but to the millions of policyholders and families who place their trust in this industry every single day.

The insurance industry stands at a remarkable crossroads. Rapid digitalisation, evolving regulatory frameworks, and the growing complexity of risks — from climate-related events to cyber threats — demand professionals who are not only technically competent, but forward-thinking, adaptable, and principled. You, our graduates, are precisely the calibre of talent this industry needs.

At Aii, our mission has always been to raise the bar of professionalism across the region. As you step forward as qualified insurance professionals, you carry with you not just a credential, but a standard — a standard of integrity, of knowledge, and of service.

To all our graduates: wear your qualification with pride, continue learning, and never lose sight of the purpose behind it all — to protect what matters most to the people you serve.

Warmest congratulations, once again. The industry is better for having you in it.

Ng Kok Kheng
Chairman
Asian Institute of Insurance (Aii)

CONGRATULATORY MESSAGE

Congratulations to the Classes of 2025 and 2026.

On behalf of the Life Insurance Association of Malaysia (LIAM), I extend my highest commendations and warmest congratulations to the graduating cohorts of 2025 and 2026.

Earning your professional credentials from the Asian Institute of Insurance is a significant milestone that demands rigorous academic discipline and a steadfast commitment to self-advancement. The dedication you have demonstrated throughout your studies establishes a solid foundation for your future contributions to the financial services sector.

For those specializing in life insurance, you are entering the industry at a pivotal juncture. Our sector bears a profound societal responsibility; we manage a long-term covenant of financial security, wealth preservation, and peace of mind for individuals and their families. As you advance in your careers, you will be tasked with addressing complex macroeconomic and demographic shifts, including an aging population, rising healthcare costs, and the critical need to close the national protection gap.

The industry looks to you to spearhead sustainable growth. Your role is to leverage emerging digital capabilities, design accessible protection solutions, and uphold the institutional trust that defines the life insurance sector. I encourage you to apply the analytical frameworks and ethical principles acquired at Aii to champion customer-centric outcomes and drive meaningful innovation.

Commencing your professional journey requires a commitment to continuous learning and uncompromised integrity. I am confident that the expertise you have gained will enable you to navigate the complexities of our marketplace with distinction.

I wish you every success as you embark on a rewarding and impactful career.

Congratulations to the Classes of 2025 and 2026.

Pauline Teoh

CONGRATULATORY MESSAGE

Heartiest Congratulations to the Graduating class of 2025 & 2026.

Dear Graduates,

On behalf of the General Insurance community, it is my pleasure to extend our heartiest congratulations to the graduating class of 2025 & 2026.

For those of you forging your careers within the general insurance sector, your role has never been more vital or critical to national economic stability. The general insurance sector does not just operate within its own environment but reaches out and provide financial protection to a large part of economic activity of the country. It also has to work with many stakeholders and a wide network of service providers to assist policyholders with the best possible outcome.

We are operating in an era of unprecedented transformation—navigating complex climate realities, accelerating technological shifts, and managing rapidly evolving digital vulnerabilities.

As general insurance practitioners, you are the true architects of economic resilience. It is your technical expertise, analytical precision, and ethical grounding that will safeguard businesses, protect families, and instill deep confidence across our communities in an unpredictable world.

The market demands professionals who can blend traditional underwriting and claims discipline with modern, customer-centric agility. Go forth with confidence, passion, and purpose, knowing that you possess the exact tools required to drive our industry forward.

Wishing you all the very best as you embark on this exciting next chapter of your professional journeys!

Warm regards,

Ng Kok Kheng
Chairman
Persatuan Insurans Am Malaysia (PIAM)

CONGRATULATORY MESSAGE

Your graduation marks the beginning of a meaningful journey where expertise must be matched with professionalism, adaptability, and a client-centric mindset.

The insurance and takaful landscape are evolving rapidly, driven by digitalisation, changing customer expectations, emerging risks, and increasing global inter-connectivity. In this environment, brokers continue to play a vital role in bridging trust, knowledge, and informed decision-making between insurers and clients.

The industry needs professionals who are not only competent, but also principled and forward-looking. We trust that each of you will carry these values with you as you grow in your careers and contribute meaningfully to the advancement and integrity of the profession.

On behalf of the Malaysian Insurance and Takaful Brokers Association (MITBA), I extend my best wishes to all graduates as you embark on this exciting new chapter.

We look forward to witnessing your future contributions to the industry and to the communities you will serve.
